This list contains some 654 loop installations including loops in over 357 houses of worship.

Did I miss yours and you'd like it to be listed? Email me.

Interested in advocating for a loop in a venue of *your* choice? Most hearing loops materialize thanks to word of mouth or when *one* person initiates the process. I am happy to help you.

For more information or corrections to this list please contact hearing loop advocate

**Dr. Juliette Sterkens
Audiologist**

jsterkens@hearingloss.org

To be effective hearing loops have to meet the IEC 60118-4 Standard

Please post appropriate signage on the premises, websites and in bulletins. Need to see how it's done? Email me.

For more information visit:
